Welcome Exhibitors!

- **SHIPPING:** We have limited storage for guest packages so we ask that packages not be shipped more than 3 days prior to the date of the event. Additionally, packages will be delivered to the front desk. We do not have the ability to accept shipments delivered on pallets or require machinery to move it. When shipping materials to the Embassy Suites for a show, the following information must be included on each package:

ATTN: Banquet Manager

Hold For: Vendor On-Site Contact & name of show

13700 Conference Center Drive South

Noblesville, IN 46060

- **LOADING IN / OUT:** The hotel has (1) dock to receive all shipments needed for hotel operation and at times it can be quite busy. Companies needing to unload using the dock must have a truck with a lift gate. The driveway leading to the dock slopes for semi deliveries. As you are un-loading/loading your equipment, please be mindful that others might be waiting for access to the dock. We ask that you be quick and not leave your vehicle parked at the dock for extended times. The hotel does not have equipment such as dollies or pallet jacks to loan vendors. Please make certain you bring the necessary equipment needed to move in / out of the exhibit space. If you are shipping your materials via UPS Freight, please note the drivers will NOT unload your shipment unless they are instructed to do so within your order. If you will not be here to receive & unload your shipment at the time of delivery, please make certain to include unloading instructions when arranging delivery. Please note there may be additional charges for them to unload your materials. If delivery arrangements are not made in advance, any delivery fees charged to The Embassy Suites by Hilton Noblesville Conference Center will be passed on to the vendor.

If you do not need access to the dock, you can unload/load into the Waters Ballroom on the north side of the building. Upon your arrival, please notify staff, which doors you'll be needing access to as there is no way to open the doors from the outside of the building. Once your materials are in the hotel, we ask vendors park in the northern most parking lot. This will free up the closer parking spots for the attendees.

- **POWER / AV EQUIPMENT NEEDS:** Attached is the Exhibitor Order Form. Equipment orders received in advance of the scheduled move in date will be set & ready in your assigned exhibit space. Orders received day of move in are subject to 20% "Day of Event Order Fee". Your credit card will be charged the day of the event and a receipt will be emailed to the address noted on the form.
